

Older and online

What's holding you back?

A new inquiry into Cybersafety for Senior Australians wants to hear your views on:

- ▶ The benefits and opportunities of using the internet
- ▶ Reasons for caution and the things that hold you back
- ▶ What government can do to build user confidence and protect consumers

***Older Australians should not be left behind
as the economy goes online!***

Put your submissions to the Committee's inquiry by **17 February 2012**.

For more information visit the Australian Parliament's
Joint Select Committee on Cyber-Safety website at
